

Speaker Series

SOUTH ASIAN EXPERIENCES WITH CANCER

When | Thurs, April 3
6:30 - 8pm MST

Cost | Free

Where | Online

This speaker series aims to shed light into the unique experiences of members of South Asian communities who have been affected by cancer. By bringing together experts and individuals with lived experiences, we hope to come together to learn more about the values, strengths, and unique needs of these communities.

Speakers:

Dr. Gurleen Brar

*Physician and clinical
lecturer*

Mannat Bansal

*MD/PhD student
specializing in exercise
oncology*

Harjeet Kaur

Patient advocate
